

Anatomy for Dental Medicine

Third Edition

Edited by

Eric W. Baker, MA, MPhil
Department of Basic Science and Craniofacial Biology
New York University College of Dentistry
New York, New York

Associate Editor

Elisabeth K. N. Lopez, PhD
Department of Basic Science and Craniofacial Biology
New York University College of Dentistry
New York, New York

Based on the work of

Michael Schuenke, MD, PhD
Institute of Anatomy
Christian Albrecht University, Kiel

Erik Schulte, MD
Institute of Functional and Clinical Anatomy
Johannes Gutenberg University, Mainz

Udo Schumacher, MD, FRCPath, CBiol, FRSB, DSc
Center for Experimental Medicine
Institute of Anatomy and Experimental Morphology
University Medical Center, Hamburg-Eppendorf

Contents

Preface	XIII
Acknowledgments	XV

Head

1 Embryology of the Head & Neck

Germ Layers & the Developing Embryo	2
Development of the Brain & Spinal Cord	4
Development & Derivatives of the Pharyngeal (Branchial) Arches	6
Development & Derivatives of the Pharyngeal Pouches, Membranes, & Clefts	8
Development of the Tongue & Thyroid Gland	10
Development of the Face	12
Development of the Palate	14

2 Cranial Bones

Development of the Cranial Bones	16
Skull: Lateral View	18
Skull: Anterior View	20
Skull: Posterior View	22
Calvaria	24
Skull Base: Exterior	26
Skull Base: Interior	28
Sphenoid Bone	30
Temporal Bone	32
Occipital Bone & Ethmoid Bone	34
Zygomatic (Malar) Bone & Nasal Bone	36
Maxilla & Hard Palate	38
Mandible & Hyoid Bone	40
Mandible: Age-related Changes & Mandibular Fractures	42
Neurovascular Pathways through the Skull Base	44
Muscles of the Head: Origins & Insertions	46
Radiographs of the Skull	48
Radiographs of the Sphenoid Bone	50

3 Vasculature & Lymphatics of the Head & Neck

Arteries of the Head & Neck: Overview & Subclavian Artery	52
External & Internal Carotid Arteries: Overview	54
External Carotid Artery: Anterior & Medial Branches	56
External Carotid Artery: Posterior Branches	58
External Carotid Artery: Terminal Branches (I)	60
External Carotid Artery: Terminal Branches (II) & Anastomoses	62
Internal Carotid Artery	64
Veins of the Head & Neck: Overview	66
Superficial Veins of the Head	68
Deep Veins of the Head	70
Lymphatics of the Head & Neck (I)	72
Lymphatics of the Head & Neck (II)	74
Radiographs of the Head & Neck	76

4 Neuroanatomy & Innervation of the Head & Neck

Organization of the Nervous System 78

Spinal Cord: Overview 80

Spinal Cord: Circuitry & Spinal Nerves 82

Organization of the Brain & Cerebellum 84

Telencephalon (I): Overview, Basal Ganglia, & Neocortex 86

Telencephalon (II): Allocortex & Limbic System 88

Diencephalon: Overview & Development 90

Diencephalon: Thalamus & Hypothalamus 92

Brainstem: Organization & External Structure 94

Mesencephalon & Pons: Transverse Sections 96

Medulla Oblongata: Transverse Sections 98

Cerebrospinal Fluid (CSF) Spaces & Ventricles 100

Arteries of the Brain 102

Veins of the Brain: Superficial & Deep Veins 104

Blood Vessels of the Brain: Cerebrovascular Disease 106

Meninges 108

Sensory Pathways (Excluding the Head) 110

Sensory Pathways: Pain Pathways in the Head & the Central Analgesic System 112

Motor Pathways 114

Autonomic Nervous System (I): Overview 116

Autonomic Nervous System (II): Connections 118

Cranial Nerves: Overview 120

Cranial Nerve Nuclei 122

CN I & II: Olfactory & Optic Nerves 124

CN III, IV, & VI: Oculomotor, Trochlear, & Abducent Nerves 126

CN V: Trigeminal Nerve, Nuclei, & Divisions 128

CN V₁: Trigeminal Nerve, Ophthalmic Division 130

CN V₂: Trigeminal Nerve, Maxillary Division 132

CN V₃: Trigeminal Nerve, Mandibular Division 134

CN VII: Facial Nerve, Nuclei & Internal Branches 136

CN VII: Facial Nerve, External Branches & Ganglia 138

CN VIII: Vestibulocochlear Nerve 140

CN IX: Glossopharyngeal Nerve 142

CN X: Vagus Nerve 144

CN XI & XII: Accessory Spinal & Hypoglossal Nerves 146

Radiographs of the Cranial Nerves Exiting the Brain (I) 148

Radiographs of the Cranial Nerves Exiting the Brain (II) 150

Regions of the Head

5 Face & Scalp

Muscles of the Face 154

Muscles of Facial Expression: Calvaria, Ear, & Eye 156

Muscles of Facial Expression: Mouth 158

Neurovascular Topography of the Anterior Face & Scalp: Superficial Layer 160

Neurovascular Topography of the Lateral Head: Superficial Layer 162

Neurovascular Topography of the Lateral Head: Intermediate & Deep Layers 164

6 Temporal, Infratemporal, & Pterygopalatine Fossae

Temporal & Infratemporal Fossae: Contents 166

Infratemporal Fossa: Contents 168

Muscles of Mastication: Overview	170
Muscles of Mastication: Deep Muscles	172
Temporomandibular Joint (TMJ)	174
Temporomandibular Joint (TMJ): Biomechanics	176
Pterygopalatine Fossa: Overview	178
Topography of the Pterygopalatine Fossa	180
Radiographs of the Infratemporal Fossa	182
7 Nose & Nasal Cavity	
Nose: Nasal Skeleton	184
Overview of the Nasal Cavity & Paranasal Sinuses	186
Nasal Cavity	188
Mucosa of the Nasal Cavity	190
Nose & Paranasal Sinuses: Histology & Clinical Anatomy	192
Olfactory System (Smell)	194
Radiographs of the Nasal Cavity	196
Radiographs of the Paranasal Sinuses	197
8 Oral Cavity & Pharynx	
Oral Cavity: Overview	198
Vasculature of the Oral Cavity	200
Innervation of the Oral Cavity	202
Teeth in situ & Terminology	204
Structure of the Teeth & Periodontium	206
Maxillary Permanent Teeth	208
Mandibular Permanent Teeth	210
Deciduous Teeth	212
Radiographs of Teeth	214
Lingual Mucosa	216
Glossal Muscles	218
Neurovasculature of the Tongue	220
Gustatory Pathway	222
Floor of the Oral Cavity	224
Salivary Glands	226
Hard & Soft Palates	228
Pharynx: Divisions & Contents	230
Muscles of the Pharynx (I)	232
Muscles of the Pharynx (II)	234
Muscles of the Pharynx (III) & Innervation	236
Neurovascular Topography of the Pharynx	238
Potential Tissue Spaces in the Head & Spread of Dental Infections	240
9 Orbit & Eye	
Bones of the Orbit	242
Communications of the Orbit	244
Extraocular Muscles	246
Innervation of the Extraocular Muscles (CN III, IV, & VI)	248
Neurovasculature of the Orbit	250
Topography of the Orbit (I)	252
Topography of the Orbit (II)	254
Lacrimal Apparatus	256
Eyeball	258
Eye: Blood Supply	260

Eye: Lens & Cornea	262
Eye: Iris & Ocular Chambers	264
Eye: Retina	266
Visual System (I): Overview & Geniculate Part	268
Visual System (II): Lesions & Nongeniculate Part	270
Visual System (III): Reflexes	272
Visual System (IV): Coordination of Eye Movement	274
Radiographs of the Orbit	276

10 Ear

Overview & External Ear (I)	278
External Ear (II): Auricle	280
Middle Ear (I): Tympanic Cavity & Pharyngotympanic Tube	282
Middle Ear (II): Auditory Ossicles & Tympanic Cavity	284
Inner Ear (I): Overview & Innervation (CN VIII)	286
Arteries & Veins of the Middle & Inner Ear	288
Inner Ear (II): Auditory Apparatus	290
Auditory Pathway	292
Inner Ear (III): Vestibular Apparatus	294
Vestibular Pathway	296
Radiographs of the Ear	298

Neck

11 Bones, Ligaments, & Muscles of the Neck

Vertebral Column & Vertebrae	302
Cervical Spine	304
Joints of the Cervical Spine	306
Ligaments of the Vertebral Column	308
Ligaments of the Cervical Spine	310
Ligaments of the Craniovertebral Joints	312
Muscles of the Neck: Overview	314
Muscles of the Neck & Back (I)	316
Muscles of the Neck & Back (II)	318
Muscles of the Posterior Neck	320
Intrinsic Back Muscles (I): Erector Spinae & Interspinales	322
Intrinsic Back Muscles (II)	324
Intrinsic Back Muscles (III): Short Nuchal & Craniovertebral Joint Muscles	326
Prevertebral & Scalene Muscles	328
Suprahyoid & Infrahyoid Muscles	330
Radiographs of Bones & Muscles of the Neck	332

12 Neurovascular Topography of the Neck

Arteries & Veins of the Neck	334
Cervical Plexus	336
Cervical Regions (Triangles)	338
Cervical Fasciae	340
Anterior Neck	342
Root of the Neck	344
Lateral Neck	346
Deep Lateral Neck	348

Posterior Neck 350
 Peripharyngeal Space (I) 352
 Peripharyngeal Space (II) 354
 Radiographs of the Neurovascular Topography of the Neck 356

13 Larynx & Thyroid Gland

Larynx 358
 Laryngeal Muscles 360
 Larynx: Neurovasculature 362
 Larynx: Topography 364
 Endotracheal Intubation 366
 Thyroid & Parathyroid Glands 368
 Radiographs of the Larynx 370

Sectional Anatomy

14 Sectional Anatomy of the Head & Neck

Coronal Sections of the Head (I): Anterior 374
 Coronal Sections of the Head (II): Posterior 376
 Coronal MRIs of the Head 378
 Coronal MRIs of the Neck (I): Anterior 380
 Coronal MRIs of the Neck (II): Middle 382
 Coronal MRIs of the Neck (III): Posterior 384
 Transverse Sections of the Head (I): Cranial 386
 Transverse Sections of the Head (II) 388
 Transverse Sections of the Head (III): Caudal 390
 Transverse Sections of the Neck (I): Cranial 392
 Transverse Sections of the Neck (II): Caudal 394
 Transverse MRIs of the Head 396
 Transverse MRIs of the Oral Cavity 398
 Transverse MRIs of the Neck 400
 Sagittal Sections of the Head (I): Medial 402
 Sagittal Sections of the Head (II): Lateral 404
 Sagittal MRIs of the Head 406
 Sagittal MRIs of the Neck 408

Rest of Body Anatomy

15 Rest of Body Anatomy

Upper Limb
 Clavicle & Scapula 412
 Humerus & Glenohumeral Joint 414
 Bones of Forearm, Wrist, & Hand 416
 Muscles of the Shoulder (I) 418
 Muscles of the Shoulder (II) & Arm 420
 Muscles of the Forearm 422
 Muscles of the Wrist & Hand 424
 Arteries & Veins of the Upper Limb 426
 Brachial Plexus 428

Thorax	
Thoracic Skeleton	430
Muscles & Neurovascular Topography of the Thoracic Wall	432
Female Breast	434
Diaphragm	436
Neurovasculature of the Diaphragm	438
Divisions of the Thoracic Cavity & Lymphatics	440
Thoracic Vasculature	442
Nerves of the Thoracic Cavity	444
Mediastinum: Overview	446
Mediastinum: Structures	448
Heart: Surfaces & Chambers	450
Heart: Valves, Arteries, & Veins	452
Heart: Conduction & Innervation	454
Pre- & Postnatal Circulation	456
Esophagus	458
Pleura	460
Lungs in situ	462
Pulmonary Arteries & Veins	464
Abdomen	
Surface Anatomy & Muscles of the Abdominal Wall	466
Arteries of the Abdominal Wall & Abdomen	468
Divisions of the Abdominopelvic Cavity	470
Peritoneal Cavity, Greater Sac, & Mesenteries (I)	472
Stomach & Omental Bursa	474
Mesenteries (II) & Bowel	476
Liver, Gallbladder, & Biliary Tract	478
Abdominal Aorta & Celiac Trunk	480
Superior & Inferior Mesenteric Arteries	482
Veins of the Abdomen	484
Inferior Vena Cava & Inferior Mesenteric Veins	486
Autonomic Plexuses & Sectional Anatomy of the Abdomen	488
Pelvis	
Pelvic Girdle & Ligaments of the Pelvis	490
Contents of the Pelvis	492
Arteries & Veins of the Pelvis	494

Appendices

Appendix A	
Anatomy of Local Anesthesia for Dentistry	498
Appendix B	
Factual Questions & Answer Explanations	516
Appendix C	
Clinical Questions & Answer Explanations	537

Index	553
