<i>Introduction</i>	7
<i>Anatomical Directions</i>	9
<i>Abbreviations</i>	10

CHAPTER 1

Explanation of Sports Injury	11
What Constitutes a Sports Injury?	11
What is Affected in a Sports Injury?	11
Muscles	11
Overview of Skeletal Muscle Structure	12
Bones	12
Bone Development and Growth	12
Types of Bone According to Density	13
Types of Bone According to Shape	14
Components of a Long Bone	14
Cartilage	16
Ligaments	16
Tendons	16
Joints	17
Is the Sports Injury Acute or Chronic?	19
Acute Injuries	19
Chronic Injuries	19
How Are Sports Injuries Classified?	19
Mild	19
Moderate	19
Severe	19
How Are Sprain and Strain Injuries Classified?	19

First-degree	19
Second-degree	19
Third-degree	20

CHAPTER 2

Sports Injury Prevention	21
Introduction to Sports Injury Prevention	21
Warm-up	21
Cool-down	23
The FITT Principle	25
Overtraining	27
Fitness and Skill Development	29
Stretching and Flexibility	37
Facilities, Rules, and Protective Devices	43

CHAPTER 3

Sports Injury Treatment and Rehabilitation	45
Introduction to Sports Injury Management	45
Regaining the Fitness Components	49

CHAPTER 4

Sports Injuries of the Skin	53
001: Cuts, Abrasions, Chafing	55
002: Sunburn	56
003: Frostbite	57
004: Athlete's Foot (Tinea Pedis)	58
005: Blisters	59

006: Corns, Calluses, Plantar Warts (Verrucae)60

CHAPTER 5

Sports Injuries of the Head and Neck61

Acute

007: Head Concussion, Contusion, Haemorrhage, Fracture.....67
008: Neck Strain, Fracture, Contusion68
009: Cervical Nerve Stretch Syndrome.....69
010: Whiplash (Neck Strain)70
011: Wryneck (Torticollis)71
012: Cervical Disc Injury (Acute Cervical Disc Disease)72
013: Pinched Nerve (Cervical Radiculitis)73
014: Spur Formation (Cervical Spondylosis).....74
015: Teeth75
016: Eye75
017: Ear.....76
018: Nose.....77
Rehabilitation and Recovery78

CHAPTER 6

Sports Injuries of the Hand and Fingers81

Acute

019: Metacarpal Fractures.....83
020: Thumb Sprain (Ulnar Collateral Ligament).....84
021: Mallet Finger (Long Extensor Tendon)85
022: Finger Sprain86
023: Finger Dislocation87

Chronic

024: Hand/Finger Tendinitis88
Rehabilitation and Recovery89

CHAPTER 7

Sports Injuries of the Wrist and Forearm.....93

Acute

025: Wrist and Forearm Fracture.....96
026: Wrist Sprain.....97
027: Wrist Dislocation98

Chronic

028: Carpal Tunnel Syndrome (CTS)99
029: Ulnar Tunnel Syndrome100
030: Wrist Ganglion Cyst.....101
031: Wrist Tendinitis.....102
Rehabilitation and Recovery103

CHAPTER 8

Sports Injuries of the Elbow107

Acute

032: Elbow Fracture.....110
033: Elbow Sprain111
034: Elbow Dislocation.....112
035: Triceps Brachii Tendon Rupture113

Chronic

036: Tennis Elbow114
037: Golfer's Elbow.....115
038: Thrower's Elbow.....116
039: Elbow Bursitis117
Rehabilitation and Recovery118

CHAPTER 9

Sports Injuries of the Shoulder and Upper Arm123

Acute

040: Collarbone/Humerus Fracture126
041: Shoulder Dislocation.....127
042: Shoulder Subluxation128
043: Acromioclavicular Separation129
044: Sternoclavicular Separation130

045: Biceps Brachii Tendon Rupture 131

046: Biceps Brachii Bruise 132

047: Biceps Brachii/Chest Strain 133

Chronic

048: Subacromial Impingement..... 134

049: Rotator Cuff Tendinitis 135

050: Shoulder Bursitis 136

051: Bicipital Tendinitis..... 137

052: Pectoral Muscle Insertion
Inflammation..... 138

053: Frozen Shoulder (Adhesive
Capsulitis)..... 139
Rehabilitation and Recovery 140

CHAPTER 10

**Sports Injuries of the Back
and Spine 145**

Acute

054: Back Muscle Strain 148

055: Back Ligament Sprain 149

056: Thoracic Contusion 150

Chronic

057: Disc Prolapse..... 151

058: Disc Bulge 152

059: Stress Fracture of the Vertebra..... 153
Rehabilitation and Recovery 154

CHAPTER 11

**Sports Injuries of the Chest
and Abdomen..... 159**

Acute

060: Broken (Fractured) Ribs..... 162

061: Flail Chest 163

062: Abdominal Muscle Strain..... 164
Rehabilitation and Recovery 165

CHAPTER 12

**Sports Injuries of the Hips,
Pelvis and Groin..... 169**

Acute

063: Hip Flexor Strain 171

064: Hip Pointer 172

065: Avulsion Fracture 173

066: Groin Strain 174

Chronic

067: Osteitis Pubis..... 175

068: Stress Fracture..... 176

069: Piriformis Syndrome..... 177

070: Iliopsoas Tendinitis 178

071: Adductor Tendinitis..... 179

072: Snapping Hip Syndrome..... 180

073: Trochanteric Bursitis 181
Rehabilitation and Recovery 182

CHAPTER 13

**Sports Injuries of the Hamstrings
and Quadriceps..... 187**

Acute

074: Femoral Fracture..... 189

075: Quadriceps Strain..... 190

076: Hamstring Strain 191

077: Thigh Bruise (Contusion) 192

Chronic

078: Iliotibial Band Syndrome..... 193

079: Quadriceps Tendinitis..... 194
Rehabilitation and Recovery 195

CHAPTER 14

Sports Injuries of the Knee 201

Acute

080: Medial Collateral Ligament Sprain..... 204

081: Anterior Cruciate Ligament Sprain 205

082: Meniscus Tear..... 206

Chronic

083: Bursitis 207

084: Synovial Plica Inflammation..... 208

085: Osgood-Schlatter Disease..... 209

086:	Osteochondritis Dissecans	210
087:	Patellofemoral Pain Syndrome	211
088:	Patellar Tendinitis (Jumper's Knee).....	212
089:	Chondromalacia Patellae (Runner's Knee)	213
090:	Patellar Dislocation	214
	Rehabilitation and Recovery	215

CHAPTER 15

Sports Injuries of the Shin and Calf.....221

Acute

091:	Tibial/Fibular Fractures	224
092:	Calf Strain	225
093:	Achilles Tendon Strain.....	226

Chronic

094:	Achilles Tendinitis.....	227
095:	Medial Tibial Pain Syndrome (Shin Splints)	228
096:	Tibial Stress Fracture.....	229
097:	Anterior Compartment Syndrome.....	230
	Rehabilitation and Recovery	231

CHAPTER 16

Sports Injuries of the Ankle.....237

Acute

098:	Ankle Fracture	239
099:	Ankle Sprain.....	240

Chronic

100:	Tibialis Posterior Tendinitis	241
101:	Peroneal Tendon Subluxation.....	242

102:	Peroneal Tendinitis.....	243
103:	Supination.....	244
104:	Pronation	245
105:	Osteochondritis Dissecans	246
	Rehabilitation and Recovery	247

CHAPTER 17

Sports Injuries of the Foot.....253

Acute

106:	Foot Fracture	256
------	---------------------	-----

Chronic

107:	Retrocalcaneal Bursitis.....	257
108:	Foot Stress Fracture	258
109:	Flexor and Extensor Tendinitis.....	259
110:	Morton's Neuroma.....	260
111:	Sesamoiditis.....	261
112:	Bunions	262
113:	Hammer Toe.....	263
114:	Turf Toe.....	264
115:	Flat Feet (Pes Planus)	265
116:	Claw Foot (Pes Cavus).....	266
117:	Plantar Fasciitis	267
118:	Heel Spur	268
119:	Black Nail (Subungual Haematoma).....	269
120:	Ingrown Toenail	270
	Rehabilitation and Recovery	271

<i>Glossary of Terms</i>	277
