Introduction.....	1
Chapter	
1. Dry Bones Paleopathology Project Background information.....	5
2. Accidents and injuries as Cause for Skeletal Abnormalities.....	27
3. Inflammation. Infection.....	51
Epilogue. Wet Bones, Dry Bones. Middle ear disease.....	71
4. Tumors and Cysts.....	77
Epilogue. External ear canal disease. Wet Bones, Dry Bones.....	89
5. Metabolic and Nutritional Disorders.....	93
6. Arthritis and Osteoporosis.....	115
7. Congenital and Developmental Disorders.....	133
Epilogue. Wet Bones, Dry Bones. USD Craniofacial Anomalies Team..	160
Special bibliography.....	170
8. Obstetrical, Neonatal, and Childhood Disorders. Demography.....	171
9. Dental Disorders.....	187
10. Comments regarding Dry Bones. The Future.....	203
References Cited.....	213
Human Skeleton and Anatomic Terminology.....	224
Glossary.....	224a
Index.....	225

List of Tables

Table	Page
I.1 U.S. Ten leading causes of death-----	1
Chapter 1.	
1.1 South Dakota archaeology sites-----	12
1.2 Ages at death, Crow Creek-----	19
1.3 Bone element counts, Crow Creek-----	20
1.4 Cut marks Crow Creek frontals-----	20
1.5 Decapitation Crow Creek skulls-----	20
1.6 Number skull fractures Crow Creek-----	22
1.7 Loci skull fractures Crow Creek-----	22
1.8 Long bone mutilation Crow Creek-----	22
1.9 Metatarsal mutilation Crow Creek-----	23
Chapter 2.	
2.1 Skeletal injuries, different sites-----	28
2.2 Antemortem skeletal injury Crow Creek-----	29
2.3 Trauma Larson Site-----	30
2.4 Trauma by category Larson Site-----	31
2.5 Comparison trauma: Larson, Mobridge, Leavenworth-----	31
2.6 Nasal septal deflection, 365 skulls-----	35
Chapter 3.	
3.1 Infection and inflammation by site-----	52
3.2 Inflammation & infection Crow Creek-----	53
3.3 Focal periostitis Larson Site-----	54
3.4 Focal periostitis by site-----	54
3.5 Mastoid development in radiographs-----	73
3.6 Auditory ossicles, research findings-----	76
Chapter 4.	
4.1 U.S. Cancer deaths, Whites-----	77
4.2 Age adjusted cancer deaths, U.S. by race-----	77
4.3 Cancer deaths, S.D. Native Americans-----	77
4.4 Tumors and cysts, miscellaneous skeltons-----	79
4.5 Tumors and cysts, Crow Creek-----	80
4.6 Ear canal exostoses, Hrdlicka data-----	89
4.7 Ear canal exostoses, Dry Bones-----	90
Chapter 5.	
5.1 Orbit cribra, porotic hyperostosis, Crow Creek skulls-----	98
5.2 Porotic hyperostosis, cribra, miscellaneous skeletons-----	98
5.3 Local periostitis, Crow Creek-----	100
5.4 Accentuated vascular markings Crow Creek distal metaphyses-----	101
5.5 Altered radiographis patterns Crow Creek humeri and femora-----	109
5.6 Crow Creek bone, analysis for lead-----	110

Chapter 6.

6.1	Osteophytes and porosity, Sully and Larson Sites-----	118
6.2	Degenerative disorders, miscellaneous skeletons-----	119
6.3	Crow Creek degenerative changes-----	120

Chapter 7.

7.1	Anomalies, miscellaneous skeletons-----	134
7.2	Anomalies, salvage archaeology skeletons-----	135
7.3	Anomalies, Crow Creek, cranio-facial-----	136
7.4	Anomalies, Crow Creek spinal-----	137
7.5	Anomalies, Crow Creek, vertebral assimilation, other-----	138
7.6	Anomalies cranial, cranio-vertebral in 2,500 skulls-----	139
7.7	Non-odontogenic, nonepithelial cysts (pseudocysts), frequency-----	145
7.8	South Dakota births & facial clefts-----	161
7.9	South Dakota craniofacial anomalies by type, 1960-1984-----	163
7.10	South Dakota births, facial clefts, multi-racial counties 1960-1984---	164
7.11	Craniofacial anomalies in upper midwest United States-----	165
7.12	Recent craniofacial anomalies epidemiological studies compared-----	166

Chapter 8.

8.1	North American skeletal crude death rate-----	180
8.2	Larson cemetery age and sex-----	181
8.3	Larson sub-adult deaths by age-----	181
8.4	Larson earthlodge skeletons age & sex-----	181
8.5	Crow Creek ages at death-----	182
8.6	Age, sex, Larson, Leavenworth, Sully-----	183
8.7	Comparison Leavenworth, Sully, Bronze age Greece, Indian Knoll-----	183
8.8	Life expectancy, representative world populations-----	185

Chapter 9.

9.1	Dental abnormalities at Crow Creek-----	190
9.2	Dental abnormalities, miscellaneous skeletal collections-----	191
9.3	Carious teeth types at Leavenworth-----	191
9.4	Alveolar abscesses Leavenworth-----	192
