CHAPTER 1	
Pedagogical grammar: A framework for language teachers	1
CHAPTER 2	
Pedagogical grammar in applied linguistics: A historical overview	7
Grammar teaching's first major challenge: The Audiolingual Method	8
New theories of language competence: The Chomskyan revolution	10
Language competence: More than just grammar?	12
Communicative language teaching	14
Reconsidering the role of grammar in the L2 classroom	18
Making input comprehensible: The role of interaction	21
Researching the effectiveness of communicative classrooms	22
Beyond input: Pushed output and noticing in L2 development	24
Focus on form in the second language classroom	28
Summary	29
Suggestions for further reading	31
CHAPTER 3	
What is grammar and how can it be described?	33
A pedagogic framework for grammar description	37
Corpus linguistics and the study of language performance	40
Frequency-based descriptions of grammar use	42
A corpus-informed revolution in L2 grammar teaching?	47
Summary	49
Suggestions for further reading	50
CHAPTER 4	
The lexis-grammar interface: Phraseology, collocation, and formulaic sequences	51
Formulaic language and grammar description	55
Identifying and describing formulaic sequences	57
Frequency, formulae, and phraseology in second language acquisition	63
Summary	65
Suggestions for further reading	66

CHAPTER 5	
Evaluating and adapting existing materials	67
Choosing a focus for your lesson	68
Evaluating the quality of textbook and website of explanations	69
Evaluating the quality of textbook and website practice activities	78
Summary	85
Suggestions for further reading	85
Recommended resources	86
CHAPTER 6	
Investigating grammar use through online corpora	87
The <i>behind the scenes</i> approach	87
The <i>corpora as a classroom resource</i> approach	95
The <i>student as researcher</i> approach	105
Exploring World Englishes and corpora of other languages	118
Summary	119
Suggestions for further reading	119

CHAPTER 7	
The dynamic nature of L2 learner language	121
Early studies of learner language: L1–L2 comparisons	121
Naming “the System”: Selinker’s concept of interlanguage	123
Investigating systematicity in learner language: The morpheme order studies	125
Developmental sequences in L2 acquisition	127
Explaining systematicity and variability in learner language	137
Revisiting the “target language” and the goal of near-nativeness	140
Summary	144
Suggestions for further reading	144
CHAPTER 8	
Instructed L2 grammar acquisition: Six key theory-practice links	145
Explicit versus implicit instruction does not have to be an either-or proposition	146
Meaning-focused communication tasks can promote the acquisition of L2 grammar	149
Corrective feedback – in many forms – can make a difference	152
Our pedagogical choices are not always determined in advance, but in the moment and in collaboration with L2 learners	156
L2 learners play an important role in the grammar acquisition of their peers	160

Our ability to use and acquire language is constrained by limited attentional resources	163
Summary	168
Suggestions for further reading	169
CHAPTER 9	
Designing grammar-focused communication tasks	171
Considerations in L2 grammar task design	173
Promoting interaction through information gap tasks	175
Focus on form through task-essential design and corrective feedback	178
Options along the implicit-explicit continuum	181
Promoting collaboration and the co-construction of language knowledge	183
Providing assistance in the zone of proximal development	185
Preparing students for the task at hand: Task modeling and task planning options	188
Considering the cognitive dimensions of task complexity	191
Summary	194
Suggestions for further reading	195
Recommended resources	195
CHAPTER 10	
Assessing grammar within a framework of communicative competence	197
Defining grammar for the purpose of assessment	197
Classroom-based assessment: Important terminology	203
Designing classroom-based assessments of L2 grammar ability	204
Task-based performance assessment	210
Dynamic assessment	215
Evaluating student performance	217
Summary	221
Suggestions for further reading	222
Recommended resources	222
CHAPTER 11	
Reflections and suggestions for further study	223
