Introduction to New Childhoods Series ix

Part 1 DEBATES, DILEMMAS AND CHALLENGES: THE BACKGROUND TO CHILDREN'S RIGHTS

1	Introduction to <i>Rethinking Children's Rights</i>	3
	Introduction and key questions	3
	Do societies see child rights in different ways?	4
	What do the different responses to the UNCRC reveal?	6
	What issues are emerging in relation to rethinking children's rights?	13
	How can negative responses to the rights agenda be used to help rethink children's rights?	21
	Summary	27
2	Children's Rights: definitions and developments	29
	Introduction and key questions	29
	Is there a common understanding of the term 'right'?	30
	What differences exist in relation to children's rights?	34
	How can the history of children's rights help us understand current issues?	40
	How do ideas about adult–child relationships affect thinking about children's rights?	48
	What does research tell us about the state of children's rights internationally and in the United Kingdom?	51
	Summary	55
	Further reading	56
	Research details	56

**Part 2 AN INTERDISCIPLINARY REVIEW OF RECENT
RESEARCH AND SCHOLARSHIP**

3	Children's Rights: current tensions, debates and research	61
	Introduction and key questions	61
	What are current, emerging tensions and debates in relation to children's rights?	62
	What are some of the implications of these tensions?	66
	What is research showing us about tensions and debates concerning children's rights?	73
	Summary	80
	Further reading	81
	Research details	81

Part 3 IMPLICATIONS FOR CHILDREN'S LIVES

4	Rights and the 'Child's Voice'	85
	Introduction and key questions	85
	What is the meaning of 'child's voice'?	86
	How does 'voice' relate to rights?	90
	What is research revealing about rights-informed practices relating to voice and participation?	95
	Summary	108
	Further reading	108
	Research details	108
5	Rights and Decision Making	110
	Introduction and key questions	110
	In what ways does decision making feature in children's lives?	111
	What is the relationship between children's rights and decision making?	114
	What tensions are emerging concerning decision making and children?	116
	What does research reveal about the impact of new thinking and practice in relation to rights and decision making in different spaces within children's lives?	125
	Summary	132
	Further reading	132
	Research details	133

6	A Rights Perspective on Family Life	135
	Introduction and key questions	135
	Is there a relationship between children, their families and rights?	136
	Can the family support children's rights?	137
	How do economic, social and political factors affect families in relation to rights?	139
	What is the role of the state in relation to carers, children and their rights?	152
	How can we understand the relationship between children, families and rights?	157
	Summary	159
	Further reading	160
	Research details	160
7	Working with Children	163
	Introduction and key questions	163
	In what kind of contexts does work with children occur?	164
	What rights issues arise for those working with children?	167
	What can research tell us about what children want from those who work with them?	172
	What positive examples are there of working with children?	175
	Summary	182
	Further reading	182
	Research details	182
