

Contents

<i>Preface</i>	<i>ix</i>
<i>The Authors</i>	<i>xxi</i>
Introduction: Current Trends in Treatment of Children's Psychosomatic Disorders	1
Chapter 1: Cardiovascular System Disorders	7
<i>Migraine Headaches</i>	<i>11</i>
Treatment of Stress-Induced Migraine Headaches— <i>L. K. Daniels</i>	

- Learned Vasoconstriction for Migraine Headache—
L. R. Friar and J. Beatty
 Treatment of Migraine Headaches with Directive
 Therapy—*D. L. Gentry*
 Treatment of Migraine Headaches with Autogenic
 Feedback—*J. D. Sargent, E. E. Green, and*
E. D. Walters
 Additional Readings

Hypertension 26

- Meditation and Hypertension—*H. Benson*
 Treating Essential Hypertension with Operant
 Conditioning—*H. Benson, D. Shapiro, B. Tursky,*
and G. E. Schwartz
 Hypertension Treated with Relaxation and Hypnosis—
H. L. Deabler, E. Fidel, R. L. Dillenkoffer, and
S. T. Elder
 Relaxation Training for Essential Hypertension—
L. E. Graham, I. Beiman, and A. R. Ciminero
 Treatment of Hypertension with Yoga—*C. H. Patel*
 Additional Readings

Chapter 2: Gastrointestinal System Disorders 41

Ulcerative Colitis 44

- Ulcerative Colitis: Psychological Aspects of
 Management—*G. L. Engel*
 Children with Ulcerative Colitis—*S. M. Finch and*
J. H. Hess
 Supportive Psychotherapy in Ulcerative Colitis—
J. Groen and J. Bastiaans
 Supportive Psychotherapy in Ulcerative Colitis—
D. G. Prugh
 Additional Readings

Diarrhea—Irritable Colon 57

- Drug Treatment of Chronic Nonspecific
 Diarrhea—*S. Q. Cohlán*

Treating Chronic Diarrhea by Systematic
Desensitization—*A. G. Hedberg*
Additional Readings

Vomiting 64

Treating Hysterical Vomiting by Modifying Social
Contingencies—*G. S. Alford, E. B. Blanchard,*
and T. M. Buckley
Eliminating Habitual Vomiting by Positive Practice
and Self-Correction—*N. H. Azrin and M. D. Wesolowski*
Episodic Vomiting in a Three-Year-Old Child—*I. N.*
Berlin, G. McCullough, E. S. Liska, and S. A.
Szurek
Treating Persistent Vomiting by Shaping and
Time-Out—*B. Ingersoll and F. Curry*
Treating Compulsive Vomiting by Forcing the Child
to Vomit—*S. M. Spergel*
Additional Readings

Encopresis 86

Home-Based Treatment of Childhood Encopresis—
E. A. Blechman
An Eclectic Approach to Treating Encopresis—
W. I. Halpern
Treating Encopresis with a Combination of Dietary
Control, Bowel Training, and Family Counseling—
H. A. Hein and J. J. Beerends
A Pediatric Treatment Program for Encopresis—
M. D. Levine and H. Bakow
An Effective Program for Psychogenic Encopresis—
L. Wright and C. E. Walker
Additional Readings

Recurrent Abdominal Pain 104

Treating Psychogenic Recurrent Abdominal Pain—
M. Green
Operant Treatment of a Case Involving Recurrent
Abdominal Pain—*L. I. Sank and A. Biglan*
Additional Readings

<i>Obesity</i>	113
Behavioral Treatment of a Child's Eating Problem— <i>M. E. Bernal</i>	
Behavioral Treatment of Obesity in Children— <i>K. D. Brownell and A. J. Stunkard</i>	
Emotional Aspects of Obesity— <i>H. Bruch</i>	
Regulation of Eating in Obese Children— <i>L. H. Epstein, L. Parker, J. F. McCoy, and G. McGee</i>	
Controlling Obesity in Children— <i>R. G. Kingsley and J. Shapiro</i>	
A Diet Program for Emotionally Disturbed Children— <i>M. A. Krueger</i>	
Obesity in Childhood— <i>C. U. Lowe</i>	
Successive Approximation Control of Eating in Juvenile Obesity— <i>M. E. Wheeler and K. W. Hess</i>	
Additional Readings	
 <i>Anorexia Nervosa</i>	 144
Treating Anorexia Nervosa with Operant Conditioning and Environmental Manipulation— <i>J. Azerrad and R. L. Stafford</i>	
Observations of Hospitalized Children with Anorexia Nervosa— <i>R. Galdston</i>	
Family Involvement in Treating Anorexia Nervosa— <i>R. Liebman, S. Minuchin, and L. Baker</i>	
Treating the Physiological and Psychological Needs of Anorectic Patients in a Hospital— <i>A. R. Lucas, J. W. Duncan, and V. Piens</i>	
Treating Anorexia Nervosa with Operant Reinforcement and Structural Family Therapy— <i>L. M. Perlman and S. S. Bender</i>	
Outpatient Treatment of Anorexia Nervosa Using Food as the Reinforcer— <i>C. B. Scrignar</i>	
Additional Readings	
 Chapter 3: Neuromuscular Disorders	 173
 <i>Tension Headaches</i>	 177
Treatment of Tension Headaches with EMG Biofeedback— <i>T. H. Budzynski, J. M. Stoyva, C. S. Adler, and D. J. Mullaney</i>	

Treating Tension Headaches with Relaxation— <i>D. J. Cox, A. Freundlich, and R. G. Meyer</i>	
Treatment of Headache with Electroencephalographic Biofeedback— <i>R. E. McKenzie, W. J. Ehrisman, P. S. Montgomery, and R. H. Barnes</i>	
A Simple Relaxation Approach to Tension Headaches— <i>D. L. Tasto and J. E. Hinkle</i>	
Additional Readings	
Tics	190
Eliminating Tics with Habit-Reversal— <i>N. H. Azrin and R. G. Nunn</i>	
Behavioral Treatment of Tourette's Syndrome— <i>D. M. Doleys and P. S. Kurtz</i>	
Self-Monitoring for Tourette's Syndrome— <i>R. R. Hutzell, D. Platzek, and P. E. Logue</i>	
Controlling Tics by Maternal Reinforcement— <i>M. Schulman</i>	
Additional Readings	
Chapter 4: Central Nervous System Disorders	205
Seizures	207
Behavior Therapy for Psychogenic Seizures— <i>J. E. Gardner</i>	
Intensive Psychotherapy with Epileptic Children— <i>L. A. Gottschalk</i>	
Eliminating Epileptic Seizures by the Use of Relaxation and Conditioning— <i>L. P. Ince</i>	
Contributions of Psychology in Treating Epilepsy— <i>D. I. Mostofsky</i>	
Psychobiological Control of Seizures— <i>D. I. Mostofsky and B. A. Balaschak</i>	
EEG Feedback Training to Reduce Seizures— <i>A. R. Seifert and J. F. Lubar</i>	
Interrupting Preseizure Behavior— <i>S. Zlutnick, W. J. Mayville and S. Moffat</i>	
Additional Readings	

Chapter 5: Respiratory System Disorders	235
<i>Asthma</i>	239
Relaxation Training for Asthmatic Children— <i>A. B. Alexander, D. R. Miklich, and H. Hershkoff</i>	
“Time-Out” from Positive Reinforcement in the Treatment of Hospitalized Asthmatics— <i>T. L. Creer</i>	
Biofeedback Training Applied to Asthmatic Children— <i>G. M. Feldman</i>	
Behavior Therapy Techniques Applied to an Emotionally Disturbed Asthmatic Child— <i>J. E. Gardner</i>	
Relaxation and Assertive Training for Asthmatics— <i>R. A. Hock, C. H. Rodgers, C. Reddi, and D. W. Kennard</i>	
Psychotherapeutic Interventions in the Treatment of an Asthmatic Adolescent— <i>Z. Kaminski</i>	
Treating Asthmatic Children with Counterconditioning— <i>A. U. Khan</i>	
Treatment of Exercise-Induced Asthma— <i>A. U. Khan and D. L. Olson</i>	
Training Children with Asthma to Use Inhalation Therapy Equipment— <i>C. M. Renne and T. L. Creer</i>	
Additional Readings	
<i>Chronic Coughing</i>	269
Aversion Therapy for Chronic Coughing— <i>A. B. Alexander, H. Chai, T. L. Creer, D. R. Miklich, C. M. Renne, and R. R. de A. Cardoso</i>	
Treating Chronic Coughing with Behavior Therapy— <i>P. R. Munford, D. Reardon, R. P. Liberman, and L. Allen</i>	
Additional Readings	
Chapter 6: Skin Disorders	277
<i>Dermatitis</i>	280
Elimination of Scratching Using Maternal Reinforcement— <i>K. E. Allen and F. R. Harris</i>	

Behavior Therapy Treatment of Urticaria—*L. K. Daniels*

Reinforced Inhibition of Scratching—*R. W. Dobes*

Suppression of Inflammatory Scratching—*D. L.*

Watson, R. G. Tharp, and J. Krisberg

Additional Readings

Warts

293

Treating Warts with Hypnotic Suggestion—*R. Asher*

Important Factors in Treating Warts with

Suggestion—*S. Z. Dudek*

Hypnotherapy for Warts—*M. Ullman and S. Dudek*

The Therapist's Role in Suggestion Therapy for

Warts—*H. Vollmer*

Additional Readings

Chapter 7: Urinary System Disorders

303

Enuresis

305

Treating Enuresis by Progressively Earlier Waking—

R. Singh, D. Phillips, and S. C. Fischer

Applying the Kimmel Treatment Method with

Older Enuretics—*J. M. Stedman*

Overlearning in the Conditioning Treatment of

Enuresis—*G. C. Young and R. T. T. Morgan*

Additional Readings

Polyuria

316

Modifying Excessive Frequency of Urination—

A. D. Poole and A. J. Yates

Counterconditioning Anxiety Underlying Urinary

Frequency—*H. M. van der Ploeg*

Treating Excessive Frequency of Urination by

Desensitization—*D. W. Taylor*

Additional Readings

Chapter 8: Conversion Reactions

325

Hysterical Disorders of Motor Function—*V.*

Dubowitz and L. Hersov

Brief Intervention for Children with Conversion Reactions— <i>D. Faigenbaum and S. Spector</i>	
Visual Conversion Reactions in Children— <i>R. T. Rada, A. E. Krill, G. C. Meyer, and D. Armstrong</i>	
Conversion Hysteria in Childhood— <i>A. Yates and M. Steward</i>	
Additional Readings
