

A Guide to North America's Bees

The
BEEES
In Your Backyard

Joseph S. Wilson & Olivia Messinger Carril

Princeton University Press
Princeton and Oxford

CONTENTS

1 INTRODUCTION	7	5 MELITTIDAE	111
1.1 Is This a Bee?	8	Identification Tips	112
1.2 Bee Names	12	6 HALICTIDAE	118
1.3 The Bee Lifecycle	14	Identification Tips	120
1.4 Where Do Bees Live?	17	6.1 <i>Agapostemon</i>	126
1.5 Bee Sociality	18	6.2 <i>Halictus</i>	129
1.6 What Do Bees Eat?	21	6.3 <i>Lasioglossum</i>	132
1.7 A Bee's Enemies	22	6.4 Augochlorini	137
1.8 A Bee's Body	27	6.5 Nomiinae	141
1.9 How to Study Bees	34	6.6 Rophitinae	145
1.10 Identifying Bees	39	7 MEGACHILIDAE	149
Key to the Chapters of this Book	44	Identification Tips	152
1.11 Appreciating Bees	48	7.1 Lithurginae	159
2 PROMOTING BEES IN YOUR NEIGHBORHOOD	50	7.2 <i>Osmia</i>	162
2.1 Bees as Pollinators	52	7.3 <i>Hoplitis</i>	167
2.2 Providing Habitat	55	7.4 Other Osmiini	170
2.3 Providing Food	60	7.5 <i>Anthidium</i>	176
3 ANDRENIDAE	70	7.6 Other Anthidiini	179
Identification Tips	72	7.7 <i>Megachile</i>	184
3.1 Andreninae	77	8 APIDAE	189
3.2 Protandrenini and Panurgini	82	Identification Tips	193
3.3 Perditini	86	8.1 <i>Xylocopa</i>	203
3.4 <i>Calliopsis</i>	90	8.2 <i>Ceratina</i>	206
3.5 Oxaeinae	92	8.3 Exomalopsini	209
4 COLLETIDAE	96	8.4 Emphorini	212
Identification Tips	98	8.5 Common Eucerini	218
4.1 Colletinae	101	8.6 <i>Peponapis</i> and <i>Xenoglossa</i>	224
4.2 <i>Hylaeus</i>	105	8.7 Other Eucerini	227
4.3 Diphaglossinae	108	8.8 Anthophorini	232
		8.9 <i>Centris</i>	238

8.10 <i>Bombus</i>	242	9.3 Cuckoo Bees: Megachilidae	275
8.11 <i>Apis mellifera</i>	246		
8.12 <i>Euglossa</i>	251	Appendix: Guide to the Pronunciation of Bee Names	278
9 POLLEN THIEVES	254	Index	279
Identification Tips	256	Photographic Acknowledgments	288
9.1 Cuckoo Bees: Apidae	262		
9.2 Cuckoo Bees: Halictidae	274
