12.5 The United States and the International Gold Standard	577
12.6 The Suspension of the International Gold Standard	583

Key Terms and Concepts	584
Chapter Questions and Problems	584
References	585
Appendix	587
<b>Chapter 13 The Tumultuous Interwar Period: 1918–1940</b>	<b>595</b>
13.1 Back to Normal After World War I?	597
13.2 The Gold Standard and the Great Depression	609
13.3 A New Order	618
13.4 Assessing the Gold Standard During the Interwar Period	625
Key Terms and Concepts	627
Chapter Questions and Problems	628
References	629
<b>Chapter 14 Bretton Woods to the Present</b>	<b>631</b>
14.1 The Extraordinary Bretton Woods Conference	633
14.2 The Early Years of Bretton Woods	640
14.3 After Bretton Woods	652
14.4 The Bretton Woods Institutions	660
14.5 Summary and Conclusions	663
Key Terms and Concepts	668
Chapter Questions and Problems	668
References	670
Appendix	672
<b>Chapter 15 The Euro and the European Union</b>	<b>677</b>
15.1 Seeking Exchange Rate Stability After Bretton Woods	678
15.2 History of the European Union	685
15.3 Optimum Currency Areas	696
15.4 Evaluating the European Union	704
15.5 Summary and Conclusions	718
Key Terms and Concepts	723
Chapter Questions and Problems	723
References	725

<b>Part V International Financial Issues</b>	<b>727</b>
<b>Chapter 16 Foreign Direct Investment and Transnational Corporations</b>	<b>729</b>
16.1 Foreign Direct Investment	731
16.2 The Theory of Transnational Corporation and FDI	745
16.3 FDI is Different from other International Investment	754
16.4 Some Final Comments on Transnational Corporations	760
16.5 Summary and Conclusions	768
Key Terms and Concepts	770
Chapter Questions and Problems	770
References	771
<b>Chapter 17 International Investment, International Banking, and International Financial Markets</b>	<b>775</b>
17.1 The Rapid Growth and Diversification of International Investment	777
17.2 The Eurocurrency Markets	781
