Preface xi

PART I: ADVERTISING AS A PROBLEM IN INFORMATION PROCESSING

Introduction 5

Richard Jackson Harris

The Information Processing Paradigm 5

Information Processing in Advertising 8

References 9

PART II: BASIC INFORMATION-PROCESSING PRINCIPLES IN ADVERTISING RESEARCH

1. Cognitive Processes Initiated by Exposure to Advertising 13

Andrew A. Mitchell

Introduction 13

Theoretical Framework 15

Advertising Effects 26

Level One Factors 30

Level Two Factors 34

Summary 36

References 37

2. Effects of Involvement and Message Content on Information-Processing Intensity 43

Robert E. Burnkrant and Alan G. Sawyer

Information-Processing Intensity 44

Involvement and Other Goal

Orientations 44

Need for Information 50

Message Content 52

Message Content Interacts with

Need for Information 56

Discussion 57

Conclusion 60

References 61

3. Strategies that Influence Memory for Advertising Communications 65

Kathryn Lutz Alesandrini

Visual Memory Strategies 66

Organizational Memory Strategies 75

Summary and Discussion of Visual and

Organizational Strategies 79

References 81

4. Visual Communication in Advertising 83

John R. Rossiter and Larry Percy

Introduction 83

Visual Communication: An Overview 85

Visual Information Processing 88

Visual Communication Effects 101

Visual Mediating Mechanisms 115

Summary 120

References 120

5. Advertising Situations: The Implications of Differential Involvement and Accompanying Affect Responses 127

Rajeev Batra and Michael L. Ray

Introduction 127

Initial Processing Effects and Advertising Goals Hierarchies	131
Two Processes Underlying Initial Processing Effects	134
Message Strategy Implications: The Limited Situational Validity of Belief-Based Attitude Change Theories in Advertising	138
Media Strategy Implications: Repetition Minimization Opportunities and Scheduling Situations	141
Future Directions for Measurement, Theory Development, and Application	146
References	147

6. Cognitive Psychology Looks at Advertising: Commentary on a Hobbit's Adventure 153

James Shanteau

The Guides for our Journey	154
Looking for Landmarks	157
New Paths, Old Goals	158
A Roadblock	160
Some Possible Avenues to Success	161
What's Missing?	162
End of the Road	164
References	165

PART III: AN INFORMATION-PROCESSING APPROACH TO MISLEADING ADVERTISING

7. Introduction: "What is Misleading?" 169

Herbert J. Rotfeld

Introduction	169
Discussion	171
A Final Note	173
References	174

8. A Pragmatic Approach to Truth in Advertising	175
<i>Andrew Garfinkel</i>	
Introduction	175
What is Deception?	177
A Study of Television Commercials for Breakfast Cereals and Fast Food Restaurants	180
Relevance of Information in Advertising	188
Conclusions	190
References	192
9. Evaluative Verbal Content and Deception in Advertising: A Review and Critical Analysis	195
<i>Terence A. Shimp</i>	
Introduction	195
The Nature of Verbal Content in Advertising	197
Deception Potential of Evaluative Advertising	199
Advertising Research Evidence	203
Policy Implications and Research Needs	209
Conclusion	212
References	213
10. Semantic and Prosodic Manipulation in Advertising	217
<i>Linda Coleman</i>	
Introduction	217
Semantics	219
Prosody	224
Analysis of Two Commercials	230
Conclusions	238
Summary	239
References	239

- 11. Psycholinguistic Studies of Misleading Advertising 241**
Richard Jackson Harris, Tony M. Dubitsky, and Kristin Jo Bruno
- Research in Prose Processing 241
 Implications in Advertising 242
 The Paradigmatic Experiment 244
 Training to Avoid Interpreting Implied Claims as Facts 247
 The Dependent Measures Question 250
 Increasing the Ecological Validity 254
 Subject Variables 256
 Ads Versus Other Types of Prose 257
 Developmental Studies 258
 General Discussion 258
 References 260
- 12. Effects of Prior Preference, Inferences, and Believability in Consumer Advertising 263**
Gregory E. Monaco and Donn Kaiser
- Introduction 263
 Part I: Theoretical Background 264
 The Consumer's World View 266
 Fear and Loathing on the Campaign Trail: 1976 270
 Discussion 276
 Part II 277
 A Brief Look at Task Demands 277
 Fear and Loathing in the Laboratory: 1978 279
 Discussion 285
 Summary 286
 References 287
- 13. Research on Deceptive Advertising: Commentary 289**
Ivan L. Preston
- What is Communicated Goes Beyond Literal Verbal Content 289

x CONTENTS

What is Communicated Often Produces a Potential for Deception	294
Impact on the Advertising Industry	301
Impact on the Field of Information Processing	303
References	305
