

PART 1 THE FUNDAMENTALS

1

CHAPTER 1

Introduction to Inclusive Teaching 3

LEARNING OUTCOMES 3

What Are the Educational Rights for Individuals with Disabilities? 5

The Least Restrictive Environment 6

- Where Are Students with Disabilities Served? 6 ■ Mainstreaming and Inclusion, 6 ■ Who Is Served Under IDEA? 7 ■ Other Instances of Classroom Diversity, 9

Legal Foundations 9

- Legal Proceedings and Legislation, 9 ■ Section 504, 10 ■ Americans with Disabilities Act, 11 ■ Individuals with Disabilities Education Act (IDEA), 12 ■ No Child Left Behind Act (NCLB) of 2001 and Every Student Succeeds Act (ESSA) of 2015, 14

Models of Service Delivery 16

- The Continuum of Services, 16 ■ Where Are Most Students with Disabilities Served? 17 ■ What Are General Education Classroom and Consultation Services? 17 ■ What Are Resource and Self-Contained Services? 18 ■ Special Schools and Special Facilities, 18 ■ What Other Related Services Are Available? 19 ■ Full Inclusion, 19 ■ What Does This Debate Mean for Teachers? 20 ■ Teacher Attitudes, 21

SUMMARY 23

2

CHAPTER 2

Collaboration: Partnerships and Procedures 25

LEARNING OUTCOMES 25

Collaboration to Meet Students' Needs 27

- Shared Goals, 27

Effective Communication 27

- Strategies for Communicating Effectively, 27

Collaboration and Communication for Intervention 30

- General Education Prereferral Request, 30 ■ The Intervention Process, 32

Collaboration for Referrals and Placements 34

Collaboration as Partnerships 43

- Consultation Between Special and General Educators, 43 ■ Co-Teaching, 43 ■ Strategies for Collaborating with Paraprofessionals, 45 ■ Strategies for Collaborating Effectively with Parents and Families, 46

CHAPTER 3

Teaching Students with Higher-Incidence Disabilities 53

LEARNING OUTCOMES 53

Speech or Language Impairments 54

- Prevalence, Definitions, and Characteristics of Speech or Language Impairments, 54
- Causes of Speech or Language Impairments, 54
- Identification and Assessment of Speech or Language Impairments, 55
- Strategies for Making Adaptations for Students with Speech or Language Impairments, 55

Learning Disabilities 57

- Prevalence and Definitions of Learning Disabilities, 57
- Causes of Learning Disabilities, 58
- Issues in Identification and Assessment of Learning Disabilities, 58
- Characteristics of Learning Disabilities, 59
- Strategies for Making Classroom Adaptations for Students with Learning Disabilities, 60

Intellectual Disabilities 62

- Prevalence and Definitions of Intellectual Disabilities, 62
- Causes of Intellectual Disabilities, 64
- Issues in Identification and Assessment of Intellectual Disabilities, 64
- Characteristics of Intellectual Disabilities, 64
- Strategies for Making Classroom Adaptations for Students with Intellectual Disabilities, 66

Emotional Disturbance 68

- Prevalence and Definitions of Emotional Disturbance, 68
- Causes of Emotional Disturbance, 68
- Issues in Identification and Assessment of Emotional Disturbance, 68
- Characteristics of Emotional Disturbance, 69
- Strategies for Making Classroom Adaptations for Students with Emotional Disturbance, 69

Attention Deficit Hyperactivity Disorder (ADHD) 72

- Definitions, Prevalence, and Characteristics of ADHD, 72
- Causes of ADHD, 73
- Issues in Identification and Assessment of ADHD, 73
- Strategies for Making Classroom Adaptations for Students with Attention Deficit Hyperactivity Disorder, 74

CHAPTER 4

Teaching Students with Autism and Lower-Incidence Disabilities 79

LEARNING OUTCOMES 79

Autism 79

- Prevalence, Definitions, and Characteristics of Autism, 79
- Strategies for Making Classroom Adaptations for Students with Autism, 80

Physical Disabilities and Other Health Impairments 83

- Prevalence, Definitions, and Characteristics of Physical Disabilities and Other Health Impairments, 83
- Physical and Health-Related Disabilities, 84
- Strategies for Making Classroom Adaptations for Students with Physical Disabilities and Other Health Impairments, 88

Severe and Multiple Disabilities 92

- Prevalence, Definitions, and Characteristics of Severe and Multiple Disabilities, 92
- Strategies for Making Classroom Adaptations for Students with Severe and Multiple Disabilities, 93

Visual Impairments 97

- Prevalence, Definitions, and Characteristics of Visual Impairments, 97
- Strategies for Making Classroom Adaptations for Students with Visual Impairments, 98

Hearing Impairments Including Deafness 99

- Prevalence, Definitions, and Characteristics of Hearing Impairments, 99
- Educational Programming, 100
- Strategies for Making Classroom Adaptations for Students with Hearing Impairments, 101

CHAPTER 5

Teaching Students with Other Special Learning Needs 105

LEARNING OUTCOMES 105

Gifted, Creative, and Talented 105

- Definitions, Prevalence, and Characteristics of Gifted, Creative, and Talented, 105
- Issues in Identification and Assessment of Gifted, Creative, and Talented, 107
- Strategies for Making Adaptations for Students Who Are Gifted, Creative, and Talented, 107

Students Who Are Culturally and Linguistically Diverse 108

- Prevalence, Definitions, and Characteristics of Culturally and Linguistically Diverse Students, 108
- Issues in Identification and Assessment of Culturally and Linguistically Diverse Students, 112
- Strategies for Making Adaptations for Students from Culturally and Linguistically Diverse Backgrounds, 113

Students at Risk 116

- Definitions, Prevalence, and Characteristics of Students at Risk, 116
- Coordinating Instruction with Compensatory Education Programs, 120
- Strategies for Making Adaptations for Students at Risk, 120

CHAPTER 6

Effective Differentiated Instruction for All Students 125

LEARNING OUTCOMES 125

What Is Differentiated Instruction? 125

Promoting Effective Differentiated Instruction: The PASS Variables 127

P: Prioritize Instruction 127

- Strategies for Planning for Content Coverage, 127

A: Adapt Instructional Methods, Instructional Materials, or the Learning Environment 129

- Strategies for Making Adaptations, 130

S: Systematically Teach with the SCREAM Variables 136

- Strategies for Implementing the SCREAM Variables, 136
- Strategies for Maximizing On-Task Behavior, 141
- Strategies for Maximizing Time for Learning, 144

S: Systematically Evaluate the Outcomes of Your Instruction 146

- Strategies for Promoting Systematic Evaluation of Instruction, 147

Putting the PASS Variables to Work: Including Model Lesson Components in Instruction 149

CHAPTER 7

Response to Intervention and Multi-Tiered Systems of Support 153

LEARNING OUTCOMES 153

What Is RTI? 154

Schoolwide Screening, Progress Monitoring, and Data-Based Decision Making 155

- Strategies for Administering Schoolwide Screening, 155 ■ Strategies for Progress Monitoring and Data-Based Decision Making, 156

Tier 1: Effective Instruction in General Education 163

- Features of Tier 1 Instruction, 163 ■ Strategies for Implementation of Tier 1 Instruction, 164

Tier 2: Intervention to Remediate 164

- Features of Tier 2 Instruction, 165 ■ Strategies for Implementation of Tier 2 Instruction, 165
- Considerations in Implementation of Tier 2 Instruction, 167

Tier 3: Individualized, Intensive Instruction 167

- Strategies for Implementation of Tier 3 Instruction, 168

Fidelity of Implementation 168

- Strategies for Determining Fidelity of Implementation, 169
- Strategies for Implementing RTI at The Secondary Level, 170

Challenges with Implementing RTI 171

CHAPTER 8

Improving Motivation and Social Behavior 175

LEARNING OUTCOMES 175

Setting the Stage for Academic Success 175

- Strategies for Improving Motivation and Affect, 176

Improving Classroom Behavior and Social Skills 184

- Managing Classroom Behavior, 184 ■ Strategies for Observing and Recording Classroom Behavior, 184 ■ Strategies for Using Effective Classroom Management Methods, 187
- Strategies for Less-Intensive Classroom Management Methods, 187 ■ Strategies for More Formal Classroom Management Methods, 189 ■ Strategies for Handling Classroom Confrontations, 195 ■ Strategies for Implementing Schoolwide Discipline Systems, 196
- Strategies for Confronting Bullying, 198

Teaching Social Skills 200

- Strategies for Social Skills Training, 201

SUMMARY 203

CHAPTER 9

Promoting Inclusion with Classroom Peers 207

LEARNING OUTCOMES 207

Peer-Supported Social Acceptance 207

- Strategies for Promoting Social Acceptance, 207

Peer Assistance 208

- Strategies for Enlisting Peer Assistance, 209

Peer Tutoring 211

- Benefits of Peer Tutoring, 214 ■ Strategies for Implementing a Tutoring Program, 215
- Strategies for Promoting Learning with Classwide Peer Tutoring, 215

Cooperative Learning 219

- Strategies for Implementing Cooperative Learning, 219 ■ Advantages and Challenges of Cooperative Learning, 224

CHAPTER 10

Improving Attention and Memory 229

LEARNING OUTCOMES 229

Attention 229

- Attention and Students with Special Needs, 229 ■ Strategies for Improving Attention, 230
- Strategies for Addressing Extreme Cases of Attention Deficits, 234

Memory 236

- Strategies for Improving Memory, 236 ■ Strategies for Improving Memory with Mnemonic Techniques, 242

SUMMARY 252

11

CHAPTER 11

Teaching Study Skills 255

LEARNING OUTCOMES 255

Tools for Developing Independent Learners 256

- Strategies for Developing Personal Organizational Skills, 256 ■ Strategies for Promoting Listening Skills, 263 ■ Strategies for Teaching Note-Taking Skills, 267

Research and Reference Skills 271

- Strategies for Teaching Library Skills, 272 ■ Strategies for Preparing Reports and Projects, 274

12

CHAPTER 12

Assessment 279

LEARNING OUTCOMES 279

Types of Tests 279

- Performance Assessments and Portfolio Assessments, 280

Adapting Tests for Students with Special Needs 282

- Strategies for Administering Norm-Referenced Tests, 282 ■ Strategies for Adapting Competency-Based Local and Statewide Assessment, 284 ■ Strategies for Adapting Teacher-Made and Criterion-Referenced Tests, 286 ■ Strategies for Using Curriculum-Based Measurement, 289 ■ Strategies for Using Performance Assessment, 290 ■ Strategies for Using Portfolio Assessment, 291

Teach Test-Taking Skills 295

- Strategies for Teaching Test-Taking Skills, 295

Grading 300

- Strategies for Adapting Report Card Grading, 300

13

CHAPTER 13

Literacy 307

LEARNING OUTCOMES 307

Approaches to Reading 308

- Strategies for Implementing Approaches to Reading, 308

Common Core State Standards in Reading 311

Teaching Reading Skills 312

- Strategies for Promoting Word Identification, 312 ■ Strategies for Promoting Reading Fluency, 316

Reading Comprehension 318

- Strategies for Teaching Reading Comprehension, 318 ■ Strategies for Implementing Multi-Tiered Reading Instruction with RTI, 326

Written Expression 327

- Strategies for Improving Handwriting, 327 ■ Strategies for Teaching Spelling, 329 ■ Strategies for Teaching Written Communication, 332

CHAPTER 14

Mathematics 343

LEARNING OUTCOMES 343

Mathematics Education 343

Mathematics and Students with Disabilities 344

Teaching Math in Inclusive Settings 345

- Strategies for Teaching Beginning Math, 346
- Strategies for Teaching Addition and Subtraction, 347
- Strategies for Teaching Multiplication and Division, 355
- Strategies for Teaching Problem Solving, 361
- Strategies for Teaching About Money and Time, 363
- Strategies for Teaching Fractions and Decimals, 364
- Strategies for Teaching Area and Volume Concepts, 366
- Strategies for Teaching Algebra, 367
- Strategies for Teaching Functional Math, 371

CHAPTER 15

Science, Social Studies, and Transitions 375

LEARNING OUTCOMES 375

Adapting Textbook-Oriented Approaches in Science and Social Studies 376

- Common Core State Standards Relevant to Science and Social Studies, 376
- Strategies for Effective Teaching in Science and Social Studies, 377
- Strategies for Promoting Independent Learning from Textbooks, 379
- Strategies for Adapting Textbook Materials, 385

Adapting Activities-Oriented Approaches in Science and Social Studies 391

- Strategies for Adapting Science Activities, 391
- Strategies for Adapting Life Science Activities, 394
- Strategies for Adapting Earth Science Activities, 395
- Strategies for Adapting Physical Science Activities, 396
- Strategies for Adapting Social Studies Activities, 397

Inquiry Learning in Science and Social Studies 400

- Strategies for Adapting Inquiry Learning Activities, 400

Transitions 402

- Planning for Transition, 402
- Strategies for Promoting Transitions, 403
- Strategies for Transitioning for the Future, 407
