## **An introduction to virtual reality marketing 1**

What is virtual reality? 2  
A potted history of VR 5  
A pioneer's view 15  
What is VR? 20  
Where is VR going? 23  
What is special about VR? 24  
Presence in VR 24  
Using this book 29  
Notes 29

## **01 Virtual reality – why do it? 33**

Strategic benefits 37  
Return on investment (ROI) 43  
Other markets using VR 48  
Conclusion 52  
Notes 53

## **02 Industry insights: interviews with the best in the VR business 55**

Virtual reality industry health 56  
Virtual reality in tourism 59  
Virtual reality in entertainment and sport 63  
The technologist's view 67  
Virtual reality in the automotive industry 74  
Conclusions on the VR landscape 80

- 03 Types of virtual reality marketing and how to choose them 85**
- Virtual reality headsets and platforms 85
  - Light mobile VR headsets (Google Cardboard) 88
  - Premium mobile VR headsets 95
  - PC VR headsets 99
  - Types of virtual reality 105
  - Implementing social virtual reality marketing 109
  - How to choose your approach 112
  - Notes 113
- 04 Virtual reality production: how to make VR 115**
- Pre-production 115
  - Vision 122
  - The reality of production 123
  - Key performance indicators (KPIs) 123
  - Developing the creative 124
  - Statement of work (SOW) 124
  - Storyboarding for VR 125
  - 360 video production 128
  - Interactive VR production 139
  - Conclusions on VR production 143
  - Notes 143
- 05 Virtual reality cameras: which to use and when 145**
- 3D cameras 145
  - Mono cameras 152
  - Double camera set-ups 154
  - Single camera set-ups 156
  - Other VR rigs 158
  - Notes 159
- 06 The future of VR 161**
- A futurist's thoughts on VR – Rohan Silva 161
  - The route to mass adoption 165
  - Future marketing in VR 176

Conclusion 178

Notes 178
