Measurement of the elements of financial statements	27	Borrowing costs	87
Presentation and disclosure	29	Government grants	89
Capital and capital maintenance	29	Investment property	92
Discounting and present value	33	IFRS13 <i>Fair Value Measurement</i>	95
3 Presentation of financial statements	36	6 Intangible assets	100
Purpose of financial statements	37	Definition of an intangible asset	101
Components of financial statements	37	Initial recognition and measurement of intangible assets	102
General features	38	Subsequent measurement of intangible assets	106

Amortisation of intangible assets	108	12 Provisions and events after the reporting period	188
Derecognition	110	Recognition of a provision	189
Disclosure requirements	110	Measurement of a provision	191
Goodwill	111	Application of the recognition and measurement rules	192
IFRS3 <i>Business Combinations</i>	112	Contingent liabilities and contingent assets	194
7 Impairment of assets	118	Disclosure requirements	195
Indications of impairment	119	Events after the reporting period	196
Recoverable amount	120	13 Revenue from contracts with customers	202
Recognition and measurement of an impairment loss	123	Purpose and scope of IFRS15	203
Cash-generating units	124	The five-step model	203
Reversal of impairment losses	128	Identifying the contract	204
Disclosure requirements	129	Identifying performance obligations	206
8 Non-current assets held for sale and discontinued operations	134	Determining the transaction price	207
Classification of non-current assets as held for sale	135	Allocating the transaction price	209
Measurement of non-current assets held for sale	137	Satisfaction of performance obligations	210
Presentation of non-current assets held for sale	141	Contract costs	211
Discontinued operations	142	Presentation and disclosure	212
9 Leases	148	Guidance to the application of IFRS15	214
Definition of a lease	149	14 Employee benefits	218
Lease accounting by lessees	150	Short-term employee benefits	219
Lease accounting by lessors	154	Post-employment benefits	221
Sale and leaseback transactions	157	Accounting for defined contribution plans	221
10 Inventories	162	Accounting for defined benefit plans	222
Inventories	163	Other long-term employee benefits	227
Cost of inventories	163	Termination benefits	227
Cost formulas	165	Share-based payments	228
Net realisable value	168	15 Taxation in financial statements	234
Disclosures relating to inventories	169	Current tax	235
11 Financial instruments	173	Deferred tax	237
Definitions	174	The tax base concept	239
Classification of financial instruments	175	IAS12 requirements with regard to deferred tax	244
Recognition and measurement	178	Disclosure requirements	244
Initial measurement of financial assets and liabilities	178	16 Statement of cash flows	251
Subsequent measurement of financial assets	179	Cash and cash equivalents	252
The effective interest method	180	Classification of cash flows by activity	253
Subsequent measurement of financial liabilities	182	Interest, dividends and taxes	254
Disclosure requirements	183	Reporting cash flows from operating activities	255
		Disclosures	262

17 Financial reporting in hyperinflationary economies	273	Foreign currency transactions	352
Historical cost accounting and its weaknesses	274	Translation to a presentation currency	354
Strengths of historical cost accounting	279		
Alternatives to historical cost accounting	280		
Hyperinflationary economies	281		
The restatement of financial statements	281		
Disclosures required by IAS29	286		
Part 3 Consolidated Financial Statements			
18 Groups of companies (1)	291	22 Ratio analysis	361
Requirement to prepare consolidated financial statements	292	Accounting ratios	362
Group statement of financial position at date of acquisition	293	Profitability ratios	363
Group statement of financial position in subsequent years	297	Liquidity ratios	367
Partly-owned subsidiaries	300	Efficiency ratios	369
Preference shares	303	Investment ratios	372
Elimination of intra-group balances	305	Limitations of ratio analysis	379
Unrealised profits	306	Multivariate ratio analysis	380
Reporting period and accounting policies	307		
Disclosure requirements	307	23 Earnings per share	388
19 Groups of companies (2)	316	Significance of EPS	388
Group statement of comprehensive income	317	Calculation of basic EPS	389
Group statement of changes in equity	317	Shares issued during the accounting period	391
Subsidiary acquired part way through an accounting period	323	Bonus issues	393
20 Associates and joint arrangements	331	Rights issues	394
Associates and significant influence	332	Calculation of diluted EPS	397
The equity method	333	Presentation and disclosure requirements	399
Application of the equity method	333		
Joint arrangements	340	24 Segmental analysis	404
Disclosure requirements	341	Operating segments	405
21 Related parties and changes in foreign exchange rates	347	Reportable segments	405
Related parties	348	Disclosures required by IFRS8	407
Definition of related party and related party transaction	348		
Disclosures required by IAS24	350	Part 5 Small and Medium-sized Entities	
Foreign exchange accounting	351	25 The IFRS for SMEs Standard	417
		Small and medium-sized entities	418
		Concepts and pervasive principles	419
		Financial statement presentation	420
		Statement of financial position	421
		Statement of comprehensive income and income statement	421
		Statement of changes in equity and Statement of income and retained earnings	422
		Statement of cash flows	422
		Notes to the financial statements	422
		Consolidated and separate financial statements	423
		Accounting policies, estimates and errors	423

25 The IFRS for SMEs Standard (cont.)			
Financial instruments	424	Employee benefits	429
Inventories	424	Income tax	429
Investments in associates and joint ventures	424	Foreign currency translation and Hyperinflation	429
Investment property	425	Events after the end of the reporting period	429
Property, plant and equipment	425	Related party disclosures	430
Intangible assets other than goodwill	426	Specialised activities	430
Business combinations and goodwill	426	Transition to the IFRS for SMEs Standard	430
Leases	426		
Provisions and contingencies	426	Part 6 Answers	
Liabilities and equity	427		
Revenue	427	Answers to exercises	433
Government grants	428		
Borrowing costs	428	<i>Index</i>	<i>497</i>
Share-based payment	428		
Impairment of assets	428
