## **Part 1 Preliminaries**

- |          |   |           |
|----------|---|-----------|
| <b>1</b> | <b>The ever-whirling wheel</b>            | <b>3</b>  |
|          | The inevitability of change               |           |
| <b>2</b> | <b>Collecting up clues</b>                | <b>18</b> |
|          | How linguists piece together the evidence |           |
| <b>3</b> | <b>Charting the changes</b>               | <b>32</b> |
|          | How linguists study changes in progress   |           |

## **Part 2 Transition**

- |          |   |           |
|----------|---|-----------|
| <b>4</b> | <b>Spreading the word</b>                     | <b>49</b> |
|          | How changes spread from person to person      |           |
| <b>5</b> | <b>Conflicting loyalties</b>                  | <b>62</b> |
|          | Opposing social pressures within a change     |           |
| <b>6</b> | <b>Catching on and taking off</b>             | <b>76</b> |
|          | How sound changes spread through a language   |           |
| <b>7</b> | <b>Caught in the web</b>                      | <b>89</b> |
|          | How syntactic changes work through a language |           |

### **Part 3 Causation**

- |           |                                    |     |
|-----------|------------------------------------|-----|
| <b>8</b>  | <b>The reason why</b>              | 105 |
|           | Sociolinguistic causes of change   |     |
| <b>9</b>  | <b>Doing what comes naturally</b>  | 124 |
|           | Inherent causes of language change |     |
| <b>10</b> | <b>Repairing the patterns</b>      | 138 |
|           | Therapeutic changes                |     |
| <b>11</b> | <b>The Mad Hatter's tea-party</b>  | 151 |
|           | Chain reaction changes             |     |

### **Part 4 Beginnings and endings**

- |           |   |     |
|-----------|---|-----|
| <b>12</b> | <b>Development and breakdown</b>          | 165 |
|           | Child language and language disorders     |     |
| <b>13</b> | <b>Language birth</b>                     | 180 |
|           | How languages begin                       |     |
| <b>14</b> | <b>Language death</b>                     | 197 |
|           | How languages end                         |     |
| <b>15</b> | <b>Progress or decay?</b>                 | 210 |
|           | Assessing the situation                   |     |
|           | <i>Symbols and technical terms</i>        | 222 |
|           | Notes and suggestions for further reading | 224 |
|           | References                                | 237 |
|           | Acknowledgements                          | 252 |
|           | <i>Index</i>                              | 253 |
