THE SUBJECT OF THE
INTERFACE

1

2

THE FORMING OF THE
INTERFACE

59

3

THE AUGMENTATION OF
THE INTERFACE

121

The interface as form of relation	1	The interface and the apparatus	26
Between faces and facing between	7	The interface and the game	32
The interface and the surface	12	The interface and the machine	39
Toward a theory of the interface	15	Separation and augmentation	46
Janus and Jupiter	19	Mimicry in the game and the interface	53
Control and power	24		
<hr/>			
The interface as that which defines the fluid	59	Governance and reciprocity	98
Turbulence and control	67	The interface and teleology	104
The exacting of turbulence	75	The turbine as superimposition of fluid and machine	110
The demon on the threshold	81	The vertiginous moment of interface	114
Theories of the vortex	89		
Information and entropy	94		
<hr/>			
A genius of augmentation	121	Symbiosis	135
The tacit knowing of the interface	123	System	140
Singularity	129	Positioning	148
<hr/>
