contents

chapter 0: meet sociolinguistics: what all the cool feminists are talking about	1
chapter 1: slutty skank hoes and nasty dykes: a comprehensive list of gendered insults i hate (but also kind of love?)	21
chapter 2: wait . . . what does the word <i>woman</i> mean anyway?: plus other questions of sex, gender, and the language behind them	51
chapter 3: “mm-hmm, girl, you’re right”: how women talk to each other when dudes aren’t around	79
chapter 4: women didn’t ruin the english language—they, like, invented it	111
chapter 5: how to embarrass the shit out of people who try to correct your grammar	135

chapter 6: how to confuse a catcaller (and other ways to verbally smash the patriarchy)	169
chapter 7: fuck it: an ode to cursing while female	193
chapter 8: "cackling" clinton and "sexy" scarjo: the struggle of being a woman in public	211
chapter 9: time to make this book just a little bit gayer	229
chapter 10: cyclops, panty puppet, bald-headed bastard (and 100+ other things to call your genitalia)	253
chapter 11: so . . . in one thousand years, will women rule the english language?	275
acknowledgments	289
