| <b>List of Phonetic Symbols and Signs</b>                        | <b>xiii</b> |
| <b>Part I Speech and Language</b>                                |             |
| <b>1 Communication</b>   | <b>3</b>    |
| 1.1 Speech   | 3           |
| 1.2 Writing  | 3           |
| 1.3 Language   | 4           |
| 1.4 Redundancy   | 5           |
| 1.5 Phonetics and Linguistics                                    | 5           |
| <b>2 The Production of Speech</b>                                | <b>8</b>    |
| 2.1 The Speech Chain   | 8           |
| 2.2 The Speech Mechanism   | 9           |
| 2.2.1 Sources of Energy: The Lungs                               | 9           |
| 2.2.2 The Larynx and Vocal Folds                                 | 10          |
| 2.2.3 The Resonating Cavities                                    | 12          |
| 2.2.3.1 The Pharynx  | 12          |
| 2.2.3.2 The Mouth  | 13          |
| 2.3 Articulatory Description                                     | 16          |
| <b>3 The Sounds of Speech: The Acoustic and Auditory Aspects</b> | <b>18</b>   |
| 3.1 Sound Quality  | 18          |
| 3.2 The Acoustic Spectrum  | 20          |
| 3.2.1 Fundamental Frequency: Pitch                               | 22          |
| 3.2.2 Intensity: Loudness  | 23          |
| 3.2.3 Duration: Length   | 24          |
| 3.2.4 'Stress'   | 25          |
| 3.3 Hearing  | 25          |
| <b>4 The Description and Classification of Speech Sounds</b>     | <b>27</b>   |
| 4.1 Phonetic Description   | 27          |
| 4.2 Vowel and Consonant  | 27          |

|          |   |           |
|----------|---|-----------|
| 4.3      | Consonants                                  | 28        |
| 4.3.1    | Egressive Pulmonic Sounds                   | 29        |
| 4.3.2    | Voicing                                     | 29        |
| 4.3.3    | Place of Articulation                       | 29        |
| 4.3.4    | Manner of Articulation                      | 30        |
| 4.3.5    | Obstruents and Sonorants                    | 31        |
| 4.3.6    | Fortis and Lenis                            | 31        |
| 4.3.7    | Classification of Consonants                | 31        |
| 4.3.8    | Ingressive Pulmonic Consonants              | 33        |
| 4.3.9    | Egressive Glottalic Consonants              | 33        |
| 4.3.10   | Ingressive Glottalic Consonants             | 33        |
| 4.3.11   | Ingressive Velaric Consonants               | 34        |
| 4.4      | Vowels                                      | 34        |
| 4.4.1    | Difficulties of Description                 | 35        |
| 4.4.2    | Cardinal Vowels                             | 35        |
| 4.4.3    | Nasality                                    | 37        |
| 4.4.4    | Relatively Pure v. Gliding Vowels           | 38        |
| 4.4.5    | Articulatory Classification of Vowels       | 38        |
| <b>5</b> | <b>Sounds in Language</b>                   | <b>40</b> |
| 5.1      | Speech Sounds and Linguistic Units          | 40        |
| 5.2      | The Linguistic Hierarchy                    | 41        |
| 5.3      | Phonemes                                    | 42        |
| 5.3.1    | Diversity of Phonemic Solutions             | 43        |
| 5.3.2    | Distinctive Features                        | 43        |
| 5.3.3    | Allophones                                  | 44        |
| 5.3.4    | Neutralization                              | 46        |
| 5.3.5    | Phonemic Systems                            | 46        |
| 5.4      | Transcription                               | 47        |
| 5.5      | Syllables                                   | 48        |
| 5.5.1    | The Sonority Hierarchy                      | 49        |
| 5.5.2    | Syllable Boundaries                         | 50        |
| 5.6      | Vowel and Consonant                         | 51        |
| 5.7      | Prosodic Features                           | 52        |
| 5.8      | Paralinguistic and Extralinguistic Features | 53        |

## **Part II The Sounds of English**

|          |   |           |
|----------|---|-----------|
| <b>6</b> | <b>The Historical Background and Current Changes</b>      | <b>57</b> |
| 6.1      | Phonetic Studies in Britain                               | 57        |
| 6.1.1    | Palsgrave, Salesbury                                      | 57        |
| 6.1.2    | Spelling Reformers: Smith, Hart, Gil                      | 58        |
| 6.1.3    | Phoneticians: Wallis, Wilkins, Cooper                     | 59        |
| 6.1.4    | The Eighteenth Century: Johnson, Sheridan, Walker, Steele | 61        |
| 6.1.5    | The Nineteenth Century: Pitman, Ellis, Bell, Sweet        | 62        |
| 6.2      | Sound Change  | 63        |
| 6.2.1    | Types of Change   | 64        |

|          |   |           |
|----------|---|-----------|
| 6.2.2    | Rate and Route of Vowel Change                  | 65        |
| 6.2.3    | Sound Change and the Linguistic System          | 66        |
| 6.2.4    | Sources of Evidence for Reconstruction          | 68        |
| 6.2.5    | The Classical Old English Sound System          | 72        |
| 6.2.6    | The Middle English Sound System                 | 73        |
| 6.2.7    | The Early Modern English Sound System           | 74        |
| 6.2.8    | The Present English Sound System                | 74        |
| 6.2.9    | Modifications in the English Sound System       | 75        |
| <b>7</b> | <b>Standard and Regional Accents</b>            | <b>77</b> |
| 7.1      | Standards of Pronunciation                      | 77        |
| 7.2      | Emergence of a Standard                         | 77        |
| 7.3      | Present-day Situation: RP                       | 78        |
| 7.4      | Comparing Systems of Pronunciation              | 81        |
| 7.5      | Current Changes within RP                       | 82        |
| 7.6      | Systems and Standards other than RP             | 83        |
| 7.6.1    | General American                                | 84        |
| 7.6.2    | Scottish English                                | 84        |
| 7.6.3    | Cockney   | 85        |
| 7.6.4    | Northern English                                | 86        |
| 7.6.5    | Australian English                              | 87        |
| <b>8</b> | <b>The English Vowels</b>                       | <b>88</b> |
| 8.1      | The Distinctive Vowels                          | 88        |
| 8.2      | Vowel Glides with a Non-prominent First Element | 90        |
| 8.3      | Glides to [ə]                                   | 91        |
| 8.4      | Vowel Length                                    | 91        |
| 8.4.1    | Phonetic Relationships                          | 91        |
| 8.4.2    | Morphophonemic Alternations                     | 93        |
| 8.5      | Transcriptions of English Vowels                | 94        |
| 8.6      | Descriptions of the Vowels                      | 95        |
| 8.7      | Acoustic Features                               | 95        |
| 8.8      | Acquisition of Vowels by Native Learners        | 96        |
| 8.9      | (Relatively) Pure Vowels                        | 97        |
| 8.9.1    | /i:/  | 97        |
| 8.9.2    | /ɪ/   | 98        |
| 8.9.3    | /e/   | 101       |
| 8.9.4    | /æ/   | 102       |
| 8.9.5    | /ʌ/   | 104       |
| 8.9.6    | /ɑ:/  | 106       |
| 8.9.7    | /ɒ/   | 108       |
| 8.9.8    | /ɔ:/  | 109       |
| 8.9.9    | /ʊ/   | 112       |

| 8.10.1   | /eɪ/  | 120       |

|          |  |            |
|----------|--|------------|
| 8.10.2   | /aɪ/   | 121        |
| 8.10.3   | /ɔɪ/   | 123        |
| 8.10.4   | /əʊ/   | 124        |
| 8.10.5   | /aʊ/   | 126        |
| 8.11     | Diphthongs + [ə]                                       | 128        |
| 8.12     | Centring Diphthongs                                    | 131        |
| 8.12.1   | /ɪə/   | 131        |
| 8.12.2   | /eə/   | 133        |
| 8.12.3   | /ʊə/   | 134        |
| 8.13     | Vowels in Syllables without Primary Accent             | 135        |
| 8.14     | Frequency of Occurrence of RP Vowels                   | 137        |
| <b>9</b> | <b>The English Consonants</b>                          | <b>138</b> |
| 9.1      | The Distinctive Consonants                             | 138        |
|          | Class A: Obstruents                                    | 139        |
| 9.2      | Plosives   | 139        |
| 9.2.1    | The Phonetic Features of English Plosives              | 140        |
| 9.2.2    | The Acoustic Features of English Plosives              | 142        |
| 9.2.3    | The Acquisition of Plosives by Native Learners         | 144        |
| 9.2.4    | The Release Stage of English Plosives                  | 145        |
| 9.2.5    | Bilabial Plosives                                      | 147        |
| 9.2.6    | Alveolar Plosives                                      | 149        |
| 9.2.7    | Velar Plosives   | 152        |
| 9.2.8    | Glottal Plosive  | 154        |
| 9.3      | Affricates   | 157        |
| 9.3.1    | Palato-alveolar Affricates                             | 160        |
| 9.4      | Fricatives   | 162        |
| 9.4.1    | Acoustic Features of English Fricatives                | 164        |
| 9.4.2    | Acquisition of Fricatives by Native Learners           | 165        |
| 9.4.3    | Labiodental Fricatives                                 | 165        |
| 9.4.4    | Dental Fricatives                                      | 167        |
| 9.4.5    | Alveolar Fricatives                                    | 169        |
| 9.4.6    | Palato-alveolar Fricatives                             | 171        |
| 9.4.7    | Glottal Fricative                                      | 173        |
| 9.5      | Voiced and Voiceless as Phonological Categories        | 175        |
|          | Class B: Sonorants                                     | 175        |
| 9.6      | Nasals   | 176        |
| 9.6.1    | Bilabial Nasal   | 177        |
| 9.6.2    | Alveolar Nasal   | 178        |
| 9.6.3    | Velar Nasal  | 179        |
| 9.7      | Oral Approximants                                      | 181        |
| 9.7.1    | Lateral Approximant                                    | 182        |
| 9.7.2    | Post-alveolar Approximant                              | 186        |
| 9.7.3    | Palatal and Labial-velar Approximants (or Semi-vowels) | 190        |
| 9.7.4    | Palatal Approximant                                    | 191        |
| 9.7.5    | Labial-velar Approximant                               | 193        |
| 9.8      | Frequency of Occurrence of RP Consonants               | 196        |
